Bologna Hub Peer Support II

Are you interested in connecting your Higher Education Institution (HEI) closer to the European Higher Education Area (EHEA)? Be part of the project "Bologna Hub Peer Support II"! We offer you the opportunity to meet 1-2 Bologna experts who have an extensive expertise in the following thematic fields:

The Bologna key commitments

- three-cycle system compatible with the QF-EHEA and first and second cycle degrees scaled by ECTS
- recognition of qualifications in compliance with the Lisbon Recognition Convention
- quality assurance in compliance with the Standards and Guidelines for Quality Assurance in the European Higher Education Area

Further issues will be addressed such as:

- formulation of learning outcomes
- curriculum development/modularisation
- innovative approaches to learning and teaching (e.g. digitalisation)
- mobility and internationalisation

You will be able to jointly analyse challenges, discuss potentialities and develop strategies for your institution. Two peer counselling visits are envisaged for each institution during the project – a first one in 2023 and a follow-up visit in 2024. Between both occasions you will have the opportunity to implement the practical reforms you elaborated together with the experts during the first visit. In the course of the second meeting, you will jointly reflect specific challenges presented within the scope of the implementation period.

To apply for peer counselling visits, please fill in [this survey](#) by 03 February 2023 at the latest.

If you have any questions in the meantime, please do not hesitate to contact us by sending an e-mail to bologna@daad.de

We are looking forward to receiving your application!
